

NOTES AND QUERIES

FOR READERS AND WRITERS, COLLECTORS AND LIBRARIANS

Vol. 187. No. 3. JULY 29, 1944.

ONE SHILLING

TWO RECENT VOLUMES OF POETRY

THE WALLS DO NOT FALL

by
"H. D."

3s 6d net

"... *The Walls Do Not Fall* is a most unusual and distinguished book of delicate surprises and delights. Each word in this volume defines its own precise value, and carries its own undiminished impact; so that the whole book reads swiftly to the end; which leaves us with the feeling that we want—and need—more. And after, the music and the meaning of this poetry linger in the mind with a most pleasant but unusual persistence, explaining to us continually things that we hear, feel or see..." *Observer*

"... At her best she clothes the mystery in image and symbol, and achieves in the statement of feeling a truly classical simplicity..."

Times Literary Supplement

WESTERN STAR

by
Stephen Vincent Benét

7s 6d net

"... Benét's fine qualities are all displayed in this volume. It is an historical novel in verse, grandly conceived, vigorously written, warm with humanity, rich in character and humour, vividly suggesting the time in which it is set... The fluent, varied and expressive verse in which the story is told makes the reading of it a great pleasure..." *Western Mail*

"... Benét died a year ago with this volume complete and four more projected. His death is a loss for all who read in English. For this is a pulsing, swift, brilliantly-coloured story in heroic vein, hauntingly beautiful, and easy enough for a schoolboy to read..." *The Star*

"... the current is strong, the diverse material has been humanized, and strung on a continuous thread of action, of 'daily living and dying under the sun'..." *Times Literary Supplement*

THE DRAMA OF THE
MIEVEAL CHURCH

by

KARL YOUNG

(1933)

Two volumes Illustrated 63s net
" . . . Professor Young's volumes will, it is
safe to predict, at once become an authority
of classic rank." Dr F. S. Boas in *The
Observer*

" . . . Professor Young has written a book
that at once will take its place side by side
with Sir Edmund Chambers's volumes, and
will become the indispensable handbook for
all students of the early religious drama. . . "

Review of English Studies

" . . . The amount of labour alone is
deserving of respect; but much more than
labour has gone to the making of the book.
It is one to which American scholarship may
point with pride, because the author's
memory and power of analysis were equal to
controlling and presenting this huge mass of
material, and not least because of the strict
caution which makes his every step firm on
very uncertain ground. . . "

CELTIC ORNAMENT IN
THE BRITISH ISLES

down to A.D. 700

by

E. T. LEEDS Illustrated

(1933)

12s 6d net

" . . . Anyone interested in the study of the
development of Celtic art in Britain will
welcome this book . . . and all proto-
historians will be grateful to him for writing
it. . . " *Cambridge Review*

" . . . An essential guide to the complexities
of a great and fascinating school of British
art. . . " *Antiquaries Journal*

" . . . It covers its chosen field fairly and
without prejudice, and it is packed full of
arresting observations. . . " *Man*
